### Giles Civil Ltd Makes the 2006 Deloitte/Unlimited Fast 50

At the awards evening held at the Royal New Zealand Yacht Squadron last night Giles Civil Ltd was honoured with their inclusion in Deloitte/Unlimited Fast 50 for 2006. This list is made up of fastest growing New Zealand Companies measured over the past two years. The winner was HRV, the Home Ventilation Company. This year's cut off was 149% growth. Giles Civil came in at No. 43.

**"This Award would not be possible without the support of our valued customers & staff. Thank you all"**

Past winners of this award have included Trademe, 42 Below (both of whom have made it again) and who have gone on to bigger and better things. In a list dominated by I.T, Employment & Communication Companies, Giles Civil Ltd represents the only Civil Engineering Construction Company in the country to make the list.

## 2006 Deloitte/Unlimited Fast 50

Company co-founder and Director, Joe Coombe said, "This award is a great credit to the whole team at Giles Civil Ltd. Over the years we have built up a quality team of field staff, office support and Professional Advisors and the company's growth could not have happened without their input."

Co-founder and Director, David Hick said, "that it was great to mix it with all the IT firms and represent the Construction sector. It represents a huge honour for the company especially when you look through the list of other companies in the Top 50. We also wish to pay tribute to our valued customers and suppliers."
